

George Whitten Elementary

2022-2023 School Year

School-Parent Compact for Success

This compact is an agreement that families, students, and teachers develop together. It explains how families and teachers work as a team to make sure all students reach or exceed grade level standards.

Communication is KEY!
GWE is committed to on-going communication with families. Here are some ways you can expect GWE to communicate with you: Remind App, School Messenger, Google Classroom, Weekly/Daily Folders, Social Media, Family Engagement Nights, Phone calls, ParentTeacher Conference, and School Marquee.

As a school, GWE will:

- Ensure a safe, welcoming environment.
- Monitor individual student progress and adjust instruction accordingly.
- Provide bell-to-bell instruction.
- Provide frequent opportunities for on-going communication.
- Help students set goals.

As families, we will:

- Check student folders daily.
- Read together often.
- Attend school events (including Parent Teacher Conferences & Family Nights.)
- Communicate frequently with teachers and administration.
- Help our children attend school regularly.
- Help our children set goals.

As students, we will:

- Be safe.
- Respect ourselves and others.
- Put forth our best effort.
- Read everyday.
- Attend school regularly.
- Set goals for ourselves.

Jointly Developed

The families, students, and staff at GWE developed this Compact for Success. Ideas shared from our Parent and Teacher Surveys were used to suggest home learning strategies. Additionally, students shared what would help them. Meetings are held each year to review this compact and make changes based on student needs. This School-Parent Compact is a requirement under the Every Student Succeeds Act (ESSA) Title I Section 1116(d).

George Whitten Elementary is a Title I School. GWE receives Federal Funding. This funding is used to provide the following support:

- Three reading interventionists and two highly trained paraprofessionals who provide extra academic support in reading and math.
- Technology (Chromebooks, iPads, projectors, computers, etc).
- Books and other hands-on resources.
- Family Engagment programs, materials, and activities.
- Professional Learning experiences for teachers.
